

# BARAKA Token Sale Terms

## 1. Introduction

These Token Sale Terms ('Terms') govern the participation in the private sale of the BARAKA token ('BRK'). Participation is limited to approved investors who have agreed to these terms and signed the associated agreement. The project is currently operated anonymously but under full commitment to legal and ethical standards.

## 2. Definitions

'Token' refers to the digital asset known as BRK. 'Investor' refers to any individual or entity approved to purchase BRK during the private sale. 'The Project' refers to the broader BARAKA ecosystem including its platform, app, and community.

## 3. Eligibility

Only investors approved manually by the BARAKA team may participate in the private sale. No geographical restrictions apply. Participants must sign the legal agreement provided.

## 4. Token Details

Symbol: BRK

Network: Solana

Total Supply: 1,000,000,000 BRK (fixed, no future minting)

Initial Allocation: 10% to BARAKA Foundation, 5% to the core team, 85% to the public market through usage-based emissions.

## 5. Sale Structure

Private sale only. Investment minimum: \$10,000 (paid in SOL, manually verified). Token pricing and lockups

# **BARAKA Token Sale Terms**

as per investor agreement. No public presale will occur.

## **6. Lock-up & Vesting**

Private investors receive a discount and are subject to a lock-up period. Lock-up and vesting periods vary based on investment tier. Vesting is managed manually in the early stages.

## **7. Payment & Refund**

Payments are accepted manually in SOL. In the event the project does not launch, investors are guaranteed a full refund (100%).

## **8. Use of Funds**

The majority of raised funds will be used for liquidity provisioning. Remaining funds will support development, marketing, and operational needs.

## **9. Token Delivery**

Tokens will be delivered manually to approved investor wallets after lock-up terms are finalized. Investors must provide a valid Solana wallet address.

## **10. Risk Factors**

Participation in token sales involves risks, including but not limited to market volatility, platform development delays, and potential regulatory actions. Investors acknowledge these risks by participating.

## **11. Legal Compliance**

## **BARAKA Token Sale Terms**

At this stage, no KYC is required for investors. All participating charities will be manually vetted and verified by the BARAKA team.

### **12. Jurisdiction**

This agreement shall be governed by applicable international law unless and until a formal legal entity is established by the BARAKA team.

### **13. Privacy**

Investor details will remain confidential and will not be shared with any third parties. No public disclosure of investor identity will be made.

### **14. Contact**

For more information, contact the BARAKA project team via the official website or the private investor group.
